At *La Posada Providencia*, our ministry in San Benito, Texas, we deal with the immigration issue all the time. Since immigration reform legislation may soon be considered by Congress, now is the time to let your senators and state representatives know that you and other supporters of immigrants want our elected officials to enact meaningful and compassionate immigration reform by sending the postcard below.

You can either print the card below, fill it out, and send to your federal lawmakers, or click here to fill out and submit online: <http://www.justiceforimmigrants.org>. Just follow the link under *Immigration Reform Could be Considered by Congress*.

Dear Senator: \_\_\_\_\_

I am a concerned constituent and agree with the U.S. Catholic bishops that the U.S. immigration system is broken and is in need of repair.

I ask that this year you support immigration reform legislation that keeps immigrant families together, adopts smart and humane enforcement policies, and ensures that immigrants without legal status register with the government and begin a path toward citizenship. Our families and communities cannot wait!
